# 2026 AIMS Conference

## Driving industry change: Collaboration within and across borders

### 2026 AIMS CONFERENCE SPONSOR OPPORTUNITY

Opportunities are now open to become a supporter of the Australasian Institute of Marine Surveyors Biennial Conference in Fremantle on 7 and 8 May 2026. This is a terrific chance to help ensure a memorable event and further establish your business as a key player in our industry.

AIMS will celebrate 40 years as the peak industry body for marine surveyors in our region, and the largest marine surveyor association in the Southern Hemisphere. AIMS has members in all States and Territories of Australia, as well as New Zealand, Asia the South Pacific and beyond.

The AIMS Conference is a “must-attend” event for marine surveyors and those working in related fields, including the broader marine services industry and government.

The Conference provides an opportunity to hear from leading industry professionals and share in discussions on topical issues, and to network with delegates, both during the Conference sessions and at our dinner and industry awards.

The conference theme recognises that industry change is driven by collaborations that provide operational and strategic benefits that build individual and organisational capacity. AIMS has developed partnerships with Austrbrokers Countrywide, Boating Industry Australia (BIA), the BIA of Victoria and WISTA Australia on critical issues ranging from insurance, vessel safety and increasing the participation of women in marine surveying. AIMS also continues to build partnership with government agencies in Australia and New Zealand.

The conference theme for the conference is: ***Driving industry change: Collaboration within and across borders***

We warmly invite you to partner in the AIMS 2026 Conference and help us deliver an amazing event. Our Conference partners are highly valued and, as such, AIMS will help you receive maximum value for your contribution.

Supporting the Conference will allow you to promote your business and to network directly with colleagues and potential clients in one location – however, we also promote our sponsors before, during and after the event through our website, social media platforms, newsletters, and annual report.

We hope you will join us at the AIMS 2026 Conference in Fremantle. Your valued support will allow us to provide a high-quality event and further establish your business as a key player in our industry.

To confirm your interest, please email Dr Eric Perez, AIMS Chief Executive Officer at [gm@aimsurveyors.com.au](mailto:gm@aimsurveyors.com.au) or telephone (02) 6232 6555.

Thursday 7 and Friday 8 May 2026 @ Fremantle Sailing Club
