

AUSTRALASIAN INSTITUTE
OF MARINE SURVEYORS

AIMS AFFILIATE

**TEAM UP WITH THE LARGEST
INDUSTRY BODY IN THE
AUSTRALASIAN
REGION FOR PROFESSIONAL
MARINE SURVEYORS**

The Australasian Institute of Marine Surveyors (AIMS) is the largest industry body in our region for professional marine surveyors and their cross-sector colleagues. The AIMS is a not-for-profit membership-based institute which allows members access to a wealth of knowledge, training, support, networking opportunities and professional accreditation; facilitates the link between industry consumers and quality professional surveyors via the membership database on our website; and enforces strict codes of conduct and ethical behaviour.

AIMS Affiliate

There are three categories available: an individual or business; industry groups; and government agencies. While demonstrating support for the establishment and maintenance of the highest levels of skills and performance in marine surveying. An AIMS Affiliate also attracts a range of direct benefits.

Category 1. Individual / Business

Any business including for example: ship owners or operators, P & I Clubs, classification societies, brokers, freight forwarders, hull or machinery underwriters, hull and machinery producers, insurance companies, vessel manufacturers, vessel retailers, marinas, oil, gas or grain businesses and law firms.

Fee – \$175 + GST annually.

Category 2. Industry Groups

Any industry body in the maritime sector representing individuals or businesses in the maritime sector.

Fee – \$375 + GST annually.

Category 3. Government Agencies

Any government agency with an interest in the work of marine surveyors or the sector.

Fee – \$575 + GST annually.

Benefits of being an AIMS Affiliate include:

- a listing on the AIMS website that includes logo / business name / website / contact number;
- recognition in the quarterly AIMS magazine (Shipshape) in a feature article;
- AIMS member advertising rates for affiliates; and
- opportunity to present an AIMS workshop/webinar.
